

**Transfer of securities to BNP Paribas Arbitrage Issuance B.V. (“BNPP IBV”) pursuant to Part VII of the UK Financial Services and Markets Act 2000**

On 19 November 2015, The Royal Bank of Scotland plc (with its registered office at 36 St Andrew Square, Edinburgh, Scotland) (“**RBS**”) and BNP Paribas S.A. (incorporated in France and with its registered office at 16, Boulevard des Italiens, 75009 Paris, France) (“**BNPP**”), acting through its London Branch, announced that the Court of Session in Scotland had approved and sanctioned the implementation of a banking business transfer scheme, whereby certain assets and liabilities related to RBS’s structured retail investor products and equity derivatives business would be transferred to BNPP pursuant to Part VII of the UK Financial Services and Markets Act 2000 (the “**Part VII Scheme**”).

The Part VII Scheme took effect on 7 December 2015 (the “**Effective Date**”).

On the Effective Date, BNPP, acting through its London Branch, became the issuer of those securities originally issued by RBS that were transferred pursuant to the Part VII Scheme. Immediately after the transfer of those securities to BNPP, acting through its London Branch, the role of the issuer under those securities was transferred, also under the terms of the Part VII Scheme, to BNPP IBV, a wholly owned subsidiary of BNPP. As part of the Part VII Scheme, BNPP guarantees all the obligations of BNPP IBV arising in respect of the transferred securities.

Under the Part VII Scheme, amendments were made to the terms of the transferring securities and to agreements related to them from the Effective Date in order to give effect to the Part VII Scheme, including (but not limited to) references to “RBS”, in its capacity as issuer of the transferred securities, being construed as references to “BNPP IBV”.

Details of the securities that have transferred under the Part VII Scheme as well as further information on the Part VII Scheme generally can be viewed at <http://warrants.bnpparibas.com/>

## INFORMATION ON THE UNDERLYING

Performance of Underlying/formula/ other variable, explanation of effect on value of investment and associated risks and other information concerning the Underlying:

**General:** Fluctuations in the value of the Underlying will have an effect on the value of the Securities throughout the life of the Securities and at maturity/expiration. The value of the Underlying may go down or up throughout the life of the Securities.

**Automatic Termination:** If the value or performance of the Underlying on any date meets certain specified conditions, it will affect the value of the Securities, and will potentially lead to the automatic termination of the Securities.

**Positive Correlation:** All other things being equal, positive performance of the Underlying will have a positive effect on the value of the Securities at maturity/expiration, and negative performance of the Underlying will have a negative effect on the value of the Securities at maturity/expiration.

**Leverage:** All other things being equal, positive or negative changes in the performance of the Underlying will have a proportionately larger effect on the value of the Securities, and therefore leverage has the potential to magnify gains or losses of the Securities.

**No Capital Protection:** All other things being equal, the value or performance of the Underlying will affect the value of the Securities at maturity/expiration, to such an extent that the value of the Securities at maturity/expiration may be zero.

## **No Significant Change and No Material Adverse Change**

There has been no significant change in the financial position of the Issuer Group taken as a whole since 30 June 2011 (the end of the last financial period for which the latest interim financial information has been published).

Save in relation to (i) matters referred to on page 119 of the 2011 Annual Results of RBSG, relating to Payment Protection Insurance, in respect of which the Issuer Group has made provisions for therein; and (ii) the effect on revenues of Global Banking and Markets of the current subdued operating environment (see pages 49 to 52 of the 2011 Annual Results of RBSG), there has been no material adverse change in the prospects of the Issuer Group taken as a whole since 31 December 2010 (the last date to which the latest audited published financial information of the Issuer Group was prepared).

## **RESPONSIBILITY**

The Issuer accepts responsibility for the information contained in the Base Prospectus, as completed and/or amended by these Final Terms. To the best of the knowledge and belief of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Base Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information. Material changes since the date of the Base Prospectus will trigger the need for a supplement under Article 16 of Directive 2003/71/EC which will be filed with both the AFM and the SIX Swiss Exchange.
